To minimize possible delays in receiving transfers, advise the sender or have the member advise the sender, of Access Credit Union Limited transit / routing information. European institutions that request an IBAN should use the appropriate transit / routing information below. Note that Canada does not utilize the IBAN system.

Access Credit Union Routing Information					
Sending Institution	Currency	US Correspondent Bank	Canadian Correspondent Bank	For Credit To	For Further Credit To
Option 1					
Canadian US or Overseas	US Dollars	JP Morgan Chase Bank 270 Park Ave. New York, NY USA Swift Address: CHASUS33 ABA 021000021	Royal Bank of Canada, Main Branch 180 Wellington St. West Toronto, ON Canada Swift Address: ROYCCAT2 Account No: 0011153244	Central 1 Credit Union - Vancouver 1441 Creekside Dr. Vancouver, BC Canada Account 0010 400 2143	Access Credit Union Limited _____ _____ Branch Transit / Routing # 0879 _____ Payee Name _____ _____ Payee Account _____** (12 digit number)
Option 2					
Canadian US or Overseas	Canadian Dollars / Foreign Currency*	N/A	N/A	Central 1 Credit Union - Vancouver 1441 Creekside Dr. Vancouver, BC Canada Account CUCXCATTVAN	Access Credit Union Limited _____ _____ Branch Transit / Routing # 0879 _____ Payee Name _____ _____ Payee Account _____** (12 digit number)

***Note:** While financial institutions in foreign countries may send wires in the currency of their countries, the wire will always be converted to Canadian dollars.

****Note:** The credit union's name and transit number are not always received in the wire details sent to Access Credit Union Limited. To ensure that the wire is processed as quickly as possible, advise the sender to record the credit union's transit / routing number on the payee account number line.

The branch transit / routing numbers are listed above.
For example: for Morden Branch, record 0879 20107 100100XXXXXX

The 0879 20107 = the transit / routing number and
100100XXXXXX = the payee's 12 digit account number.
